## CAMERON BOND TOTAL \$734,636

It is inconceivable but true that the Supreme Court of the United States held in a case known as United States vs. Local 807 that it is not a violation of the Federal Anti-Racketeering Act for a person to conspire to use and to actually use threats and violence to obtain in money from the owners of trucks if the person committing the violence is a member of a labor union. This decision was handed down by Mr. Justice Byrnes on March 2, 1942. The particular case before the Court came from New York City where the racketeers were waylaying all farmers' trucks that entered the city and requiring the driver to either employ a union driver or to pay \$8.41 or \$9.42 depending on the size of the truck. These amounts were the regular union rate for a day's work for driving and unloading. Sometimes a driver actually took charge of the truck and drove it. More often the racketeers performed no service at all and simply gave the operator of the truck a receipt for the money and allowed him to proceed. The fact that the truck owner or operator did not want and did not need a driver made no difference. If the trucker refused to pay the sums demanded, these hoodlums would assault him, beat him, and often turn his truck over and destroy his load. The local authorities in New York refused to make any effort to stop these outrages. Apparently the same kind of thing was carried on in a number of large cities of the North and East. Finally some of the offenders were brought into the Federal Courts and convicted. On appeal the Supreme Court held that even though no one had employed these highjackers and even though no one wanted to employ them, they were "bona fide employees" engaged in a "labor dispute" and that they were therefore exempt from the general provisions of the law. To my mind this decision is absolutely outrageous, but I recognize that we must accept the decisions of the Supreme Court until Congress changes the law. I have, therefore, favored a change in the law so as to make any person, whether he is a member of a union or not, subject to the laws prohibiting the use of violence interfering with interstate commerce. I can not see how anyone could oppose this, but we have received repeated protests from selfish labor organizations, and it has been most difficult to get the bill before the House. This afternoon the House finally got a chance to vote and passed the "Hobbs" bill correcting this condition by a large majority. I could not understand who those claimed to speak for organized labor should oppose this measure. I can not and do not now believe that the majority of the loyal members of organized labor really want to be exempt from the criminal laws that relate to everyone else. I believe that it is wrong to license anyone to engage in the type of blackmail that has been carried on. I therefore voted for the bill.

It seems as if we may have at last reached a point where there will be some real serious effort made to stop inflation. This is desirable and necessary. Uncontrolled inflation can and would ruin us all. When the first price control bill was being considered, I supported the Gore Amendment which would have frozen all prices including farm prices and industrial wages. At that time the Administration was determined that we should not freeze wages and the Amendment was lost. Since that time very little has been done to hold down inflation except to put ceilings on retail prices and on most farm products. Every time we have sought to secure a more equitable relationship between farm prices and national income we have been told that it would cause inflation to allow the farmers any more money. No such cry has been raised when industrial wage earners' incomes were raised 20 per cent by the so-called 43

### COLE HAS PRAISE FOR WORKERS AND THE PRESS

Cameron's third day of war financing saw the largest total yet subscribed in the Bond buying campaign launched here Monday.

The people of Cameron bought \$333,917.75 in war bonds. This brings the grand total since Monday to \$587,711.50.

E. C. Cole, Chairman for the Cameron drive at 4 p. m. Wednesday said the credit for the success of the campaign is due to the complete cooperation of the workers and organizations participating plus the desire of the people of Cameron to do their part and the support of the local newspapers, especially the "Little Midget" for its publicity day by day.

Mr. Cole was being praised on every hand for his work in directing the local canvas.

Totals were compiled in the office of Emory B. Camp, chairman of the War Council, and were telephoned to the Daily Herald that the biggest story of the day could be brought to a praise worthy people who are digging deep into their pockets on the home front to guarantee the liberty of the world.

Mr. Cole said totals were expected for the entire county early Thursday.

The City of Cameron Wednesday had greatly exceeded the quota for the entire county.

### HEART STROKE FATAL TO JOE S. BLANCETT

Joe S. Blancett, 63, died suddenly here Monday afternoon at the home of his daughter, Mrs. Thelma Cowan in North Cameron.

Mr. Blancett had lived here for many years and was well known. He suffered the stroke around 3 p. m. Monday and was dead before medical attention could be summoned.

Funeral services are to be held at 5 p. m. Wednesday, April 14, 1943, at the Salem Cemetery with the Green Funeral Home in charge.

Mr. Blancett is survived by two daughters: Mrs. Will Ford, and Mrs. Thelma Cowan of Cameron, 4 sons, Delmar and Dillard Blancett in the army and Elmar of Waco, Dalton of San Antonio.

Leonard Blancett and Clark Blancett of Vernon, are brothers and survive along with two sisters, Mrs. Mose Burkeen and Mrs. Chas. Smith of Cameron.

Funeral arrangements were held up Monday pending arrival of Delmar Blancett, a son stationed at Salt Lake City, Utah in the army.

### MILANO MAN IS HELD ON ROBBERY CHARGE

C. C. Porter of Milano was arrested by Constable I. Ribbins at his home at 3 a. m. Monday and has been released on \$500 bond following a confession in which he admitted robbery of a beer saloon south of Milano.

Constable Ribbins gave the story to the Herald. He said he went to the scene of the robbery but found no one. Later he went to Milano and found Porter in the local railway station. Leaving the man to investigate a stolen car he later went to the Porter home and placed him under arrest.

Funds in the sum of \$12.63 were stolen from the road house and some cigarettes and other small items of merchandise were taken. The money and cigarettes were recovered by Constable Ribbins who later turned Porter over to Sheriff Carl Black.

Porter made a confession and was released.

#### BUYS STATION

E. S. Shirley has purchased the Pemberton Service Station and has taken charge for operation.

Mr. Shirley has issued a notice through the Daily to his friends in Cameron and elsewhere inviting them to visit his station.

Mr. Shirley will sell Magnolia Products. He is an experienced service station operator and this will guarantee a dependable service.

### Former Yoemen

CHARLIE D. HOLLOWAY

Charlie Denson Holloway enlisted as a volunteer in the United States Navy in Houston in March 1942, and is now a Fireman 3rd Class.

Charlie, a former Yoemen, played football at Yoe High School where he received his education. He was born and reared at Maysfield and is the son of Mr. and Mrs. Hall Tyson.

At the present he is in the South African Theatre of war with the Fleet and has seen much active service, one of many young men from the county who have responded to the call of their country.

### Roping Club to Resume Programs Here On Sunday

There is a 'salty' bunch of Brahma calves in the feed lot out at the rodeo grounds in Ledbetter Park and the Cameron Roping Club will hold its first roping Sunday afternoon beginning about 2 p. m.

John Batte requests all those who enjoy this good clean sport to put on their Western duds, mount their pony and meet at the court house square about 1:30 p. m. Sunday and ride in a body out to the grounds with the boys. This means young and old men, women, boys and girls.

The membership of the club this year is chiefly youngsters who are strictly amateurs but there will be on hand a few of the old timers like Mac Akers and John Batte who will show the boys the fine points of the game.

Beginning Sunday there will be held three ropings weekly: Tuesday and Thursday nights and Sunday afternoons. There will be no admission fees and the public is invited to come out any time.

### Former Neighbor Gets \$126.11 For Conley Family This Week

James Elrod of the Hoyte community, Tuesday gave to Homer Conley the sum of \$126.11 which he had obtained from neighbors in the Hoyte community and from others who were glad to have a share in the aid to this family.

The Conley family, 5 in all, are in Cameron Hospital from injuries sustained when their home was demolished by a cyclone here last Thursday.

Mr. Elrod has done a fine job and turned in the largest sum of money yet collected for this fund.

The names of the contributors were left at the Herald but due to lack of space and the difficulty of reading some of them plans to publish have been abandoned for the moment.

In his rounds Mr. Elrod also obtained merchandise for the family.

### Time Needed for Bond Workers to See All; None Will be Missed

Time will be required for workers in the bond drive to see all buyers. Some who have not been contacted have expressed fear they have been overlooked.

E. C. Cole, director of the sales campaign in the city, Thursday urged everyone to be assured that they will be contacted. The workers are doing a fine job but more time will be required as all will be given an opportunity to buy.

Mr. Cole was very anxious for each one to know of the thorough plans made and every citizen will be given an opportunity.

### THE ARMY TAKES OVER IN BATTLE FOR SCRAP

All of us are somewhat concerned over the rationing of gas, sugar, coffee and still other items to come. As civilians, we should be. But, would it be too difficult for us to forget about rations and rationings just be rational?

At this very moment, the Army is in urgent need of your scrap metal!

The Army must count upon you and you alone to see that in no way shall our steel production be halted or impeded.

In past years, mills obtained their scrap from the very articles they manufactured and in normal times their supply was ample. But, as you know, these are not normal times.

The metal experts inform us that this year, four times the amount of scrap metal ordinarily used must be furnished for the great production of ships, tanks, planes, guns, rifles, necessary for our war effort.

From where is this scrap to come? From the North? The West? The East? Most times, the answer would be yes, for our large industrial centers are located in those sections of the country. However, today, the long winter months, snows, rains, lack of transportation and other difficulties have created shortages, that it is to the South to which the nation must look for its vital scrap metal.

Someone once said, "Nothing is more sacred than the integrity of your own mind." Do you think you could have peace of mind or a clear conscience if you did not exert yourself to the utmost and suffer untold hardships in giving your all to the winning of this war?

A great many of you have said that you're tired of scrap metal campaigns, war bond drives, defense stamps, sales, rationings. Tired? You don't know what it is to be tired. Our men who are fighting so bravely and valiantly on land, sea and air in Africa, Australia and other foreign territories; they're really tired.

Remember. This is your war.

The Army needs every bit of scrap metal it can lay its hands on.

Have you examined all the contents of your homes, your farms, your grounds, for scrap metal? Have you seen any old axes, valves, boilers, trucks, pipes, motors, pumps, tools, scales, turbines, cranes, forks, chains, lying around? Of course, you recognize scrap metal when you see it, and know scrap is anything that is made of steel and iron.

Remember. These contributions are voluntary on your part.

The Army wants you to collect and place your scrap metal in front of your mail boxes, near your grounds, alongside your roads, any place that is within easy reach. If you lack help, or transportation; or if your metals are too big for you to move; write to the nearest Army Post Salvage Officer. That Officer, detailed solely for the purpose of co-ordinating military and civilian scrap metal efforts, immediately will assume full control and relieve you of any and all responsibilities.

The Army is taking over. They will provide all the necessary labor and transportation. They will see to it that your scrap donations do not remain piled up on your very doorstep for weeks and months and cause resentment. They have perfected all arrangements to take it away.

### Cigarette Fund for Men Overseas Grows

Funds for cigarettes for the men overseas were accumulating Friday when a good total was reported.

The American Legion is raising \$100 to buy two cases of cigarettes for soldiers on the battle fronts. The public is participating.

Funds may be left at the Herald or turned over to Jim McGoldrick, Commander of the Local Post.

Here is the list reported up to noon Friday:

Sgt. George Doss and Miss Ann Tingle were married Monday afternoon in the office of Judge Jeff T. Kemp. Judge Kemp reading the ceremony. Mr. and Mrs. Doss will make their home at Paris, where Sgt. Doss is stationed at Camp Maxey.

### Aid to Enemy

"Any American who wilfully neglects to pay his taxes on time or to invest every cent he can in War Bonds is surely giving aid and comfort to the enemy. . . . We have a job to do and we are all called for service to our country. Our dollars are called to service too. Let us all ask ourselves, 'Shall we be more tender with our dollars than with the lives of our sons?' " — Secretary Morgenthau.

### In Medical Corps

PFC. CHARLES J. MADDOX

Pfc. Charles J. Maddox is in the Medical Corps of the United States Army and is now stationed at the William Beaumont Hospital in El Paso.

Maddox was inducted into the army on February 17, 1942.

He is a graduate of Yoe High School, the class of 1936. He returned to the school for post graduate work in 1937, and later attended A & M College.

He is the son of Mr. and Mrs. Grady Maddox of Ben Arnold and was born and reared in that community. He is doing a fine job in the Medical Corps and is well satisfied with his work.

### S. D. DOBBS BURIED NORTH ELM WEDNESDAY

Funeral service for S. D. Dobbs, 92, who died at the home of his daughter in Houston, were held Wednesday afternoon at the North Elm Baptist Church with interment in the North Elm Cemetery, the Marek-Burns Funeral Home directing arrangements.

Mr. Dobbs was born September 2, 1850, in Attalo, Alabama. He died April 12, 1943, at the home of his daughter, Mrs. C. L. Clark in Houston.

Mr. Dobbs was married to Miss S. A. Reed on July 4, 1870. She died June 23, 1909. To this marriage were born 8 children, four sons and four daughters.

On November 11, 1911, he married Mrs. Emma Nugent and they made their home at Yarrington for many years. In recent years they have been making their home with Mrs. Clark in Houston.

Surviving are his widow, aged 78, and the following children: J. D. Dobbs, Normangee; Sam Dobbs, Yarrington; Mrs. Tom Richards, Cameron; Mrs. C. L. Clark, Houston.

Surviving are 23 grand children and 8 great grand children.

### Bond Window at Postoffice Remains Open to 6:30 p. m.

To aid in the current War Bond Drive the bond window at the local postoffice will remain open until 6:30 p. m. so that bond buyers may get their securities, it was announced this afternoon by J. R. Hays, Postmaster.

The committees and workers are making a canvas taking orders for bonds. In order to accommodate them the window at the postoffice has established longer hours.

Rev. Milton Smout of Jacksonville, visited in Cameron Tuesday.

### WORKERS ARE AGAIN PRAISED BY COLE

Cameron continued to maintain stride in the purchase of war bonds Thursday when citizens here bought a total of \$146,925.00.

The total for the day fell below the total for Wednesday which was the largest of any single day since the drive began.

The grand total at 3:30 this afternoon was \$734,636.50.

The totals were telephoned to the Daily Herald by Emory B. Camp, Chairman of the War Council. Mr. Camp said that 60 per cent of the bonds purchased thus far have been bought by individuals.

The total in the City of Cameron already is enough to buy a 4 motorized bomber and a fighter plane.

E. C. Cole, Director of the Drive, had words of praise for the workers who are responsible for the tremendous success of the drive.

### W. F. HOOKER DIES AT MILANO HOME WED.

William Freeman Hooker, 71, died at his home in Milano Wednesday morning, following a five day illness of pneumonia. Funeral services will be held at the Milano Baptist church at 3 p. m. Thursday.

An early-day school teacher in Milam county, Mr. Hooker helped establish the county mail route and was its first carrier. After 31 years of service, he retired in 1935.

Mr. Hooker was a member of the Grand Lodge of Odd Fellows and of the Odd Fellows of Cameron, who will conduct the graveside rites.

Survivors include his wife, Mrs. Daisy Henly Hooker, and six children: Mrs. G. A. Lantip of Plains, John Hooker of Dequency, La., Frank Hooker of Milano and Mrs. Giselle Burbick, Claude and Jewel Hooker of Houston.

### Legion Cigarette Fund Needs More Contributors Here

The American Legion Cigarette fund for soldiers on the battle fronts in North Africa and Australia need more contributors to complete the amount asked for.

Other demands may have obscured this appeal for a few days.

The American Legion is sending 2000 packages of cigarettes to men overseas.

Already there has been a very liberal response to this fund. Emmett Streetman Wednesday reported the following contributions since last list was published:

Donald Glass	\$3.00
Charlie Simecek	.25
Ralph Michalka	1.00
Raymond Sharpe	.50
M. M. Burkeen	.25
Walter Strickler	1.00
Walter Becker	1.00
Albert Mitchan	1.00
E. E. Coker	1.00
Henry Horelica	.50

### Knights Columbus Gives Fund to Conley Family

The Knights of Columbus have sponsored a contribution to the Conley family, now in the hospital and whose home was demolished by a cyclone here a week ago.

Rudolph Rieater said Wednesday that \$13 had been collected as follows:

Mr. and Mrs. W. F. Plocek	\$2.00
E. H. Boedeker	2.00
H. D. Carmichael	.50
A. E. Matula	1.00
B. L. Elake	.50
R. A. Michalka	1.00
Frank Plachy	2.00
Joe Gurecky	.50
Frank Brock	1.00
J. C. Brashear	2.50

Sgt. Durell Ward of Camp McCoy, Wis., has been spending the past few days, with his sister, Mrs. Henry Lipman. He returned to Camp McCoy Monday.

## BUSINESS LEADERS IN CAMERON PLAN DRIVE

With enthusiasm and high resolve more than 70 representative business and civic leaders of Milam county attended a dinner in Cameron Friday night to launch the Second War Loan calling for 13 billion dollars to further guarantee American Liberty.

The dinner, arranged by the Lions Club of Cameron in co-operation with the Lions Club of Rockdale and Thorndale found representatives attending from lodges and other clubs as follows: Masonic Lodge, Odd Fellows, American Legion, Fire Department, Rotary Club, S. P. J. S. T. Lodge, Business & Profession Women, Knights of Columbus, and Knights of Pythias.

Emory B. Camp, Chairman of the Milam County War Bond Committee reported Saturday that all clubs and organizations had representatives present and each of the towns represented agreed to assume their share of the quota for the county.

The goal, aside from a fixed sum objective, has the added appeal that a Fortress Bomber will be purchased by the county as a whole and the city of Cameron and City of Rockdale, will each sponsor a portion of the war bond purchase, a fighter plane. These ships, by permission of the Treasury Department will be labeled and sent into action on the global war fronts as a purely local contribution to help in the aggregate effort to defeat the Axis.

E. C. Cole, of the Southern Pacific Lines, has agreed to take the Chairmanship for the War Loan Fund drive in the City of Cameron.

T. B. Ryan, President of the Rockdale State Bank, is loan drive Chairman for the county.

H. M. Hefley, President of the First National Bank in Cameron, has just been made War Finance Chairman for the county, an office created recently by the Treasury Department in connection with the Second War Loan.

John Jeter, President of the Cameron Lions Club, called the meeting to order and presented Oxsheer Smith, President of the Citizens National Bank and Chairman for the District for the War Loan Drive, a position he held in the first War Loan.

Mr. Camp said the quota for Milam county is \$354,000 to be purchased in April. Mr. Camp appealed to the committees and to the workers to put everything in the way of immediate effort in the drive to keep faith with Milam county boys, some of whom have already given their lives in combat. Mr. Camp graciously introduced the Committeemen from the communities and praised Milam county newspapers for their co-operation in all phases of civilian war effort.

J. M. Boehner of the J. C. Penney Company spoke for the retail business man and his part in the current War Loan drive. He pledged the full co-operation of the business men of Cameron in the drive to open Monday.

Oxsheer Smith, District Chairman, presiding, gave effective emphasis to the causes which dictate a unanimous share in the loan drive and disclosed for the first time here that Sgt. John Wallace, United States Army Air Corps, who lost his life had been cited for the Order of the Purple Heart, posthumously awarded and received by his father, E. A. Wallace, widely known Cameron lawyer who was present. Sgt. Wallace lost his life in combat over enemy lines in the South Pacific.

Mr. Cole, local chairman, will hold a meeting of local workers at 8 o'clock Monday morning at Cato's to start the canvas here.

Mr. Camp, War Bond Committee Chairman, in a message to newspapers of the county, joined Mr. Ryan of Rockdale, War Loan Director for the county, in an expression of appreciation for their co-operation. The committee has given permission that it be represented as encouraging advertising as a means of stimulating bonds sales.

George Yoakum of Rockdale visited in Cameron Friday.

## Thanks Comes From Army For Knives Given By Citizens

J. Hayden Lewis, 2nd Lt. AC. under Maj. Gen. B. M. Giles, Fourth Air Force, San Francisco, acknowledges receipt of the knives donated the past few weeks by patriotic citizens for the boys in the Pacific. He thanks all of you, but requests that no more be sent at this time.

Your committee chairman wants to again thank you for your most splendid co-operation in such donations. Love of home and country is best exemplified by contributions to its defense. George Washington loved his country. Benedict Arnold put himself above his country.

S. E. BROGDON.

### CONLEY FAMILY FUND

C. V. Huffman was the largest contributor of the day. His farm home was only a few yards from the path of the cyclone and he witnessed the destruction of the Conley home.

These contributions have been received at the Herald for the Conley family, made destitute by the cyclone which destroyed their home and sent five members to the hospital Thursday.

These funds are in addition to those reported Friday.

## FENCE RATIONING IS STOPPED BY OPA

The following telegram has just been received from M. Clifford Townsend, Food Production Administrator: "Discontinue rationing fence. Food Production Order Three being amended accordingly. Notify all Committees and Dealers."

As indicated in the message, all dealers should immediately be advised that fencing is no longer controlled by the Farm Machinery Rationing Program and may, therefore, be sold without restriction. Purchasers need no longer file applications For MR-29 with the farm rationing committee, nor is it necessary for such purchasers to secure a certificate For MR-22 in order to secure delivery.

Inasmuch as the supply of fencing material is still extremely limited, it is suggested that dealers be requested to limit the sales of such material to the extent for which the purchaser can show an immediate need. It is our understanding that dealers may refrain from selling this type of material to persons whom they do not feel is in need of the fencing, and an effort should, therefore, be made by the dealers to determine that the material will be used mainly to increase

or maintain the production of agricultural commodities, on farms and ranches.

Wide publicity should be given to this change in the machinery rationing regulations, in order that all persons may be fully informed. It is suggested that you use newspaper and radio channels if available.

Jim Perkins of Hearne was a Cameron visitor Saturday.

## 300 Soldiers Here For The Week End

Six busses went to Camp Hood at noon Saturday to bring soldiers to Cameron for the week end.

The F. E. Jackson Bus Lines was routing one of their new busses to Camp Hood Saturday.

L. Van Perkins, Manager of the Chamber of Commerce, said that 300

soldiers are expected here for the week end.

Mrs. David Smith is visiting her daughter, Mrs. M. Graham at Ozona this week.

Mr. and Mrs. Anton Kohutek of Ad Hall were Cameron visitors Saturday.

Hon. C. M. Beard of Milano visited in Cameron Saturday.

## SOUSSE FALLS TO THE BRITISH 8TH ARMY

The retreating Axis of General Rommel was confined Tuesday in a space 40 miles wide and 100 miles long.

The British, French and Americans were closing in. Whether the Axis would fight or attempt an evacuation was due to develop within the next few hours.

With the British 8th Army in possession of Sousse and the Americans closing in on the central front and the British 1st Army pressing in from the West, the forces of General Rommel in Africa were cooped in the coffin corner where a week ago General Montgomery said they would be pushed into the sea.

Sousse fell to the British at 8.30 a. m. Monday, Algerian time.

Bizerte, the last remaining important sea base of the Axis was under pressure and the half circle in which the Axis army is held gives little promise of anything but an attempted escape by sea or a final stand by Rommel.

Bizerte was reported being reinforced by the Germans by air. German submarines were reported concentrating off Tunis and Bizerte to attack the British fleet if an attempt is made to stop the escape.

Some informed sources said that Rommel was preparing to make a final stand in his narrow circle.

In a great air battle off Bizerte Sunday 41 enemy planes were shot down. The Allies lost 14 planes.

Reports came in that Hitler and Mussolini plan to bomb New York.

In the South Pacific the Americans have won another air battle, shooting down 23 out of 45 planes engaged Sunday. American losses were not stated.

### MARRIED HERE

Homer B. Jones and Miss Laura Lee Chaddock of Rockdale were married in a single ring ceremony at the office of Judge Jeff T. Kemp, Saturday, April 10. Mrs. Jones attended Yoe High School. They will make their home in Houston.

## Revivalist Here

DR. FRANK M. RICHARDSON

Dr. Frank M. Richardson will preach at the Easter Revival in the Cameron Methodist Church starting Wednesday night of this week.

The women will meet from 10 a. m. to 3 p. m. in a zone gathering.

Monthly Church Night Supper will be served at 7:30 p. m. Wednesday.

The church here expressed satisfaction that the services of Dr. Richardson has been obtained for this revival. He comes to Cameron with a long record of achievements in the ministry, is an outstanding speaker.

### PRESBYTERIAN CHURCH

This is a day that demands our utmost in loyalty to the things we believe are worth preserving. Those of us who believe the Faith of our Fathers is worth preserving should be giving our best in thought, time, and effort to a demonstration of the worth of this faith. In the week preceding Easter, this church will promote a Presbyterian Loyalty Campaign. The program will include four week day services, Tuesday thru Friday at 8 p. m. It will be our earnest hope and effort to have every resident Presbyterian present some time during that week.

The Church's calendar for the coming week includes the worship services on Sunday, at 11 a. m. and 8 p. m. The Message at the morning hour will be on the subject, "The Cross, the Measure of Service." The Sunday School period will begin at 9:45 a. m. with Dan Tyson leading. The Young People of the church will meet at 7 p. m.

The Circle number one of the Woman's Auxiliay will meet at the home of Mrs. George Mode at 4 o'clock Monday afternoon. The Circle number two will meet at the home of Mrs. John Muse also at 4 o'clock Monday. Please note the change in the hour of meeting. The Circle number three will meet Monday night at 8 o'clock. The Wednesday night service will be at the church at 8 o'clock.

Sgt. George Doss of Camp Maxey, Paris, and Miss Ann Tinkle of Houston, were married in a quiet ceremony in the office of Judge Jeff T. Kemp Monday, April 12. Mrs. Doss will make her home in Houston, while her husband is on duty at Camp Maxey.

## CITY GOES FORWARD IN UNITED SPIRIT

Cameron Tuesday was definitely in the spotlight as a united community behind the government's 13 Billion Dollar War Bond sale and at 3:30 p. m. Tuesday the grand total for the past two days was \$253,793.75.

The total bonds purchased Tuesday was \$127,112.50.

Reports indicated that the total Wednesday will be as large or perhaps larger than the total sales for Tuesday.

The totals were telephoned to the Herald this afternoon by Emory B. Camp, War Council Chairman who is compiling the results for a county total for weekly newspapers.

E. C. Cole, director of the sales drive in the city of Cameron, was elated over the successes of the two days.

It was said here that purchases are being made by individuals and the total amount thus far subscribed does not include the quotas accepted by the banks.

In some instances individual purchases have been large but on the whole the subscriptions have come in from small buyers who are behind the government war financing program.

## Office Papers

We have just received a new shipment of office papers.

We also have good stock of 8½x11 Memograph paper; second sheets, plain and printed and boxed bonds.

Estates, institution and organizations are yet to come in on the bond buying plan.

Workers were being received with enthusiasm everywhere and the people are displaying a grand spirit and their liberal buying indicates a united people.

From day to day the Herald will bring reports on the progress of the drive.

## CAMERON GETS 1.47 RAINFALL THURSDAY

Beneficial rains falling in Central Texas Thursday may well insure a great advance of crops into the summer.

Cameron got 1.47 inches. This together with 1.78 two weeks ago gives sufficient moisture for all immediate purposes.

Richard Hester, local government weather bureau reporter, said Temple got 1.78, Taylor 1.27, Lampassas 1.01 and Comanche 1.16.

Mede Miller of the Liquor Control Board of Temple was in Cameron Monday on business.

Howard S. Schwarting of Clarkson turned in his census report to the county superintendent's office Friday

## Odd Fellows Lead in Aid to Conley Family Storm Victims Here

The Odd Fellows in Cameron led off last night with a contribution of \$10 to the Conley family, all of whom are in the Cameron Hospital from injuries sustained when a cyclone demolished their home at 11 a. m. Thursday.

Judge Jeff T. Kemp and Clyde Hensley each gave \$1 to the fund, making a total of \$12 reported.

Grady Allen, member of the lodge said shortly after noon Friday that others may want to help this family made destitute by the storm and individually he wished to give. The Herald has not been asked to sponsor this fund but will be glad to receive and publish the names of those who wish to help this worthy family.

Joe D. Bass from the Odd Fellows meeting last night brought the report to the Herald about the lodge's contribution.

### BIRTHDAY PARTY

A delightful birthday party was enjoyed Wednesday afternoon from 5 to 7 when Mrs. Pamplin entertained in honor of her daughter, Alba Grace. Present for the occasion were Tomadell Jenness, Anita Dusek, Martha Black, Edna Angell, Bobby Jackson, Dick Stedman, Robert Johnson, Walter Henrichsen and the honoree. Refreshments of cake and punch were served.

ADDRESS REPLY TO  
CHIEF OF ENGINEERS, U. S. ARMY  
WASHINGTON, D. C.  
REFER TO FILE NO. CE 675 (Utility War Time  
Aid Program)-SPEUM

March 6, 1943.

Mr. J. W. Carpenter, President,  
Texas Power & Light Company,  
Dallas, Texas.

Dear Mr. Carpenter:

The participation of the Texas Power & Light Company in the Utility War Time Aid Program is greatly appreciated by the Army.

Your splendid cooperation has aided in the operation and maintenance of the many military establishments throughout the United States at a minimum of expense and use of critical materials. In making available to the armed forces your wealth of experience, research, manpower, and equipment, you are rendering a very fine contribution to the national war effort on the part of one of America's most vital war industries.

For the Chief of Engineers:

Very respectfully,

G. F. LEWIS,  
Colonel, Corps of Engineers,  
Chief, Repairs and Utilities Branch,  
Construction Division.

hour week order which gave time and one-half for eight hours per week. Of course, this had the same inflationary effect that an increase in farm prices would have, but when Congress passed the Bankhead Bill which would have had a very slight effect on farm prices the President vetoed it for fear it might cause inflation. Now the Senate has both the Bankhead Bill and the Pace Bill in the Committee. If the President holds the line where his proclamation of April 8th indicates he will hold it and refuses to allow other groups to continue to increase their income, I feel sure that the Senate will let these bills lie where they are. If, on the other hand, the President allows John L. Lewis or others to increase the income of their groups, I trust that both bills will be passed over the President's veto.

## 1943 YOEMEN WILL PLAY GAME TONIGHT

Coach Dick Young at Yoe High School will put his 1943 prospects through the paces at the stadium tonight. They will play former Yoemen.

The game is free and the fans are urged to be present. In discussing the game the coach said:

Thursday night at 8 p. m. we are going to have a football game under the lights with our 1943 prospects playing the ex-Yoemen.

This game will be free of charge and we are cordially inviting the public to attend. The Yoe High Band will be there to furnish the music. We intend to suit these teams in different colored uniforms and print some programs so the people can tell who the boys are.

Although our candidates are inexperienced we have some lads who are showing up fairly well. Of course Frank torn looks pretty good along with Billy Cosby and Robert Riddle in the back field. The other starting back is not yet determined. We have lettermen. Harel and Ermis are back at guards and a squadman: Billy Joe Michalka looking fair at center. Our tackles and ends are all inexperienced but showing some improvement. They are Billy Black and Ray Lyman Young at tackle and Lane Horstmann and Darrell Tindall at ends. These boys are hard pressed by some scrappers for their positions, such as Albert Matula and Herbert Holloway.

We promise the public a scrapping ball club and hope to see a large crowd out for this final work out for this spring football season.

Mede Miller of the Liquor Control Board of Temple was in Cameron Monday on business.

## To Hasten Victory

No American wants this war to go one minute beyond the time we can bring it to a victorious end. To hasten that victory—to save possibly the lives of millions of our boys on our far flung fronts—it is imperative that every American do his part in the Second War Loan. There is an investment to fit every purse. The most you can do is little enough compared with the sacrifice offered by our boys in service. They give their lives—you lend your money.

## AXIS EVACUATION IN TUNISA UNDER WAY

The battle for North Africa is rapidly drawing to a climax.

Based upon authentic reports from Allied headquarters there is no indication that General Rommel will give the British the satisfaction of a Dunkirk.

The Axis forces will fight to the last man, although a noon report said that the Germans are already evacuating all technical men attached to the Africa Corps and Italians were reported to be leaving Tunis at night and escaping to Sicily and Sardinia.

Three Allied armies, the British 8th Army under General Montgomery, the British 1st Army under General Alexander and the American army under General Patton have joined forces to complete the trapping of General Rommel's army.

At noon Wednesday the Allied forces had reached the base of the 1500 foot cliff where Rommel's army is fortified.

Great Air battles are being fought over the corridor to which the Germans have been driven from before the gates of Cairo. The small territory encompassing the ports of Bizerte and Tunis will no doubt become the bloodiest battle ground of this

war outside the slaughter at Stalingrad.

In the air battle Wednesday 84 enemy planes were shot down. The Allies lost 3 planes.

## From where I sit...

by Joe Marsh

John Trumbull, our postmaster, looks up from his newspaper yesterday and says: "I see they caught another one o' them so-called 'gang-lords' of the Prohibition era."

"Wonder how long it's going to take us to wipe out the evil Prohibition left behind... not to mention the billions of dollars it cost the people?"

Well, John's right o' course. Hard to believe America could ever pass a law like Prohibition.

But from where I sit it's a big consolation—now that Prohibition is over—to see how moderation and tolerance have grown up in its place.

Nowadays, if a man enjoys a friendly glass of beer or two after a day's work, he not only can do it in clean, respectable surroundings—but he knows that no bootlegger or gangster is making a red cent on it.

## CHRISTIAN SCIENCE SERVICES

"Doctrine of Atonement" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, April 18.

The Golden Text is: "Grace be to you and peace from God the Father and from our Lord Jesus Christ, who gave himself for our sins, that he might deliver us from this present evil world, according to the will of God and our Father" (Galatians 1:1-4.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Now then we are ambassadors for Christ, as though God did beseech you by us: we pray you in Christ's stead, be ye reconciled to God" (II Corinthians 5:20.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The atonement requires constant self-immolation on the sinner's part." (Page 23.)

## JAPS MASSING FLEET ABOVE AUSTRALIA

The Japanese are massing a naval fleet within three hours of the coast of Australia and the situation there was growing more seriously hourly.

Secretary of War Stimson has pledged MacArthur he will get all the planes he needs for the coming defensive action which may be necessary to fend off the Japs.

Growing concern over developments in the South Pacific has led to belief that the Japs may be planning a diversion war of great intensity to relieve Germany and to forestall an all out effort at invasion of Europe.

The news from Tunisia was encouraging. General Rommel's forces have been pushed back further into the coffin corner and has lost heavily in men and materials.

The air power of the United Nations continues to mount in strength and has had little opposition from the Axis.

The United Nations airmen have shot down several hundred Axis planes since last Saturday when the present offensive began. Our losses have been negligible.

The fighting in Tunisia will be heavy from this point on. The Germans will fight to the last. This will enable the Axis to build up their defenses all around the borders of the continent.

The RAF lost 23 bombers in a heavy raid on Stuttgart last night. There was a lull in the fighting in Russia, all activity confined to air battles.

### MARRIED

Sgt. Julius G. Kamenicky and Miss Ora Belle James were married at 3:45 Wednesday afternoon in the office of Judge Jeff T. Kemp. Mrs. Kamenicky will make her home in Milano county, while her husband is in the army located in California. Both are from the Ad Hall community.

Lee Terry of Camp Hood was a Cameron visitor Monday.

## Sgt. Frank Valka, Jr. Writes Jimmy Marek From Isle of Papua

Sgt. Frank Valka, Jr., has just written a letter to his friend, Jimmy Marek at the Laake Drug Store in Cameron.

In order that his many friends may know about him and the people here, the letter was sent to the Herald by Jimmy, Tuesday and we are giving extracts from it.

The Midget is being read by Sgt. Valka in Papua. He had just received a copy which took many days to arrive. In the paper he learned of the death of Gene Smith, city marshal. He expressed deep regret over the death of the late marshal.

Later Sgt. Valka learned from the Midget that sheriff Valter White had been inducted into service. He gets the impression that just about everyone here is in the army.

"So you are going out quail hunting," said Sgt. Valka. "Well, I'm out hunting a little bigger game. May-

be you've heard about them. They are yellow rats. I think I'll be out for a couple more years hunting them. In that period of time we expect to dispose of all the rats."

"I am still on the island of Papua and for how long is something no one can tell. The place has improved a lot, the food is better and the mosquitoes aren't as bad as they used to be and the weather is not as hot as it first seemed."

Sgt. Valka said he was sorry he couldn't tell more but of course military censorship makes it impossible.

Hon. C. M. Beard of Milano visited in Cameron Saturday.

## J. M. MAYFIELD BURIED IN HOUSTON MONDAY

## BEEF CALF SHOW TO BE HELD APRIL 19

The Annual Milam County Beef Calf Show will be held in Cameron on April 19, according to J. W. Stufflebeme, Jr., County Agent. 4-H and FFA members will exhibit 40 calves in the show.

The show will be held on the R. L. Batte vacant lot, back of the Hefley-Stedman Motor Company, and will start promptly at 1 p. m. W. I. Ross, County Agent of Falls County, will judge the show.

The beef calf feeding demonstrations are in direct connection with our war effort and the government's "Food for Victory" program. Milam County Club members have produced 35,000 pounds of beef this year in addition to large hog and poultry feeding programs.

The calves will be shipped to Fort Worth for sale after the show, and the club members and adult leaders will be guests of one of the commission companies.

The following 4-H and FFA members will exhibit calves:

LeRoy McDonald, Christine Winkler, Wm. Winkler, Homer James, Maxine James, Ad Hall 4-H Club; George Michalka, Ben H. Bailey and Lawrence Boedeker, Cameron 4-H Club; W. C. Rodenbeck, Jr., Pete Rodenbeck, Dick Rodenbeck and Verdes Unnasch, Detmold 4-H Club; Louis Slavik, Norbert Kostroun, Lane Stecher, Innocent Mikulec and Walter Tyroch, Marakville 4-H Club; Chas. Ropke, Val Verde 4-H Club; Ernest Fuchs 4-H member at Buckholts. Ray Boatright, Herbert Holloway, Gene Joe Friemel, Bobby Kalkbrenner, Clarence Hollas, Milton Jistel, FFA boys of Cameron High School.

Mr. and Mrs. Clarence Simank are the proud parents of an 8 pound daughter born on April 7, at the Cameron Hospital. They have named their little daughter, Deborah Ann. The mother will be remembered as the former Miss Bertha Backmon.

Roy Fuller, trustee at Six Mile turned in his census report to the county superintendent's office Thursday.

E. L. McGuire of Rockdale visited in Cameron Thursday.

## "Crystal Ball" Fine Comedy Production At Cameron Thursday

A sprightly yarn about crystal gazing and clairvoyance, filled with comedy, romance and adventure, is "The Crystal Ball," the newest vehicle co-starring Paulette Goddard and Ray Milland, at the Cameron Theatre on Thursday and Friday, April 15 and 16 thru United Artists release.

Down to her last 38 cents, young and lovely Toni Gerard, played by Paulette Goddard, plunges all at the honky-tonk of Madame Zenobia (Gladys George), teller of fortunes, who gets Toni a job as a sharp-shooting "shill" next door at the shooting gallery of Pop Tibbets (Cecil Kellaway).

When Madame Zenobia's sacroiliac snaps out of place, Toni is drafted to pose as the crystal-ball gazer. Her short course in clairvoyance—the Madame is booked to appear at a Navy Relief bazaar, which Mrs. Jo Ainsley, a wealthy young widow, is

giving—includes one "spirit" message for Brad Cavanaugh (Ray Milland), young attorney who represents Mrs. Ainsley (Virginia Field). The message is that Brad buy certain property because there is oil on it. Actually, Madame Zenobia knows that the government intends to buy this piece of land.

Attracted by the handsome and eligible lawyer, Toni also prophesies that the next day at a certain restaurant Brad will meet a redheaded beauty, eating an apple. Unexpectedly Brad is summoned to the restaurant because of a threatened suit over an alleged mouse in a teapot. When Brad arrives, he finds Toni, whom he doesn't recognize out of her fortune-teller's robes, and awakens to the fact that not only is she red-headed but she also is munching an apple.

These auguries lead to trouble with the government for Toni, Brad and Mrs. Ainsley and involves the trio innocently in regard to the property. At the same time an exciting battle is stirred up between Toni and Jo Ainsley, both of whom find Brad—

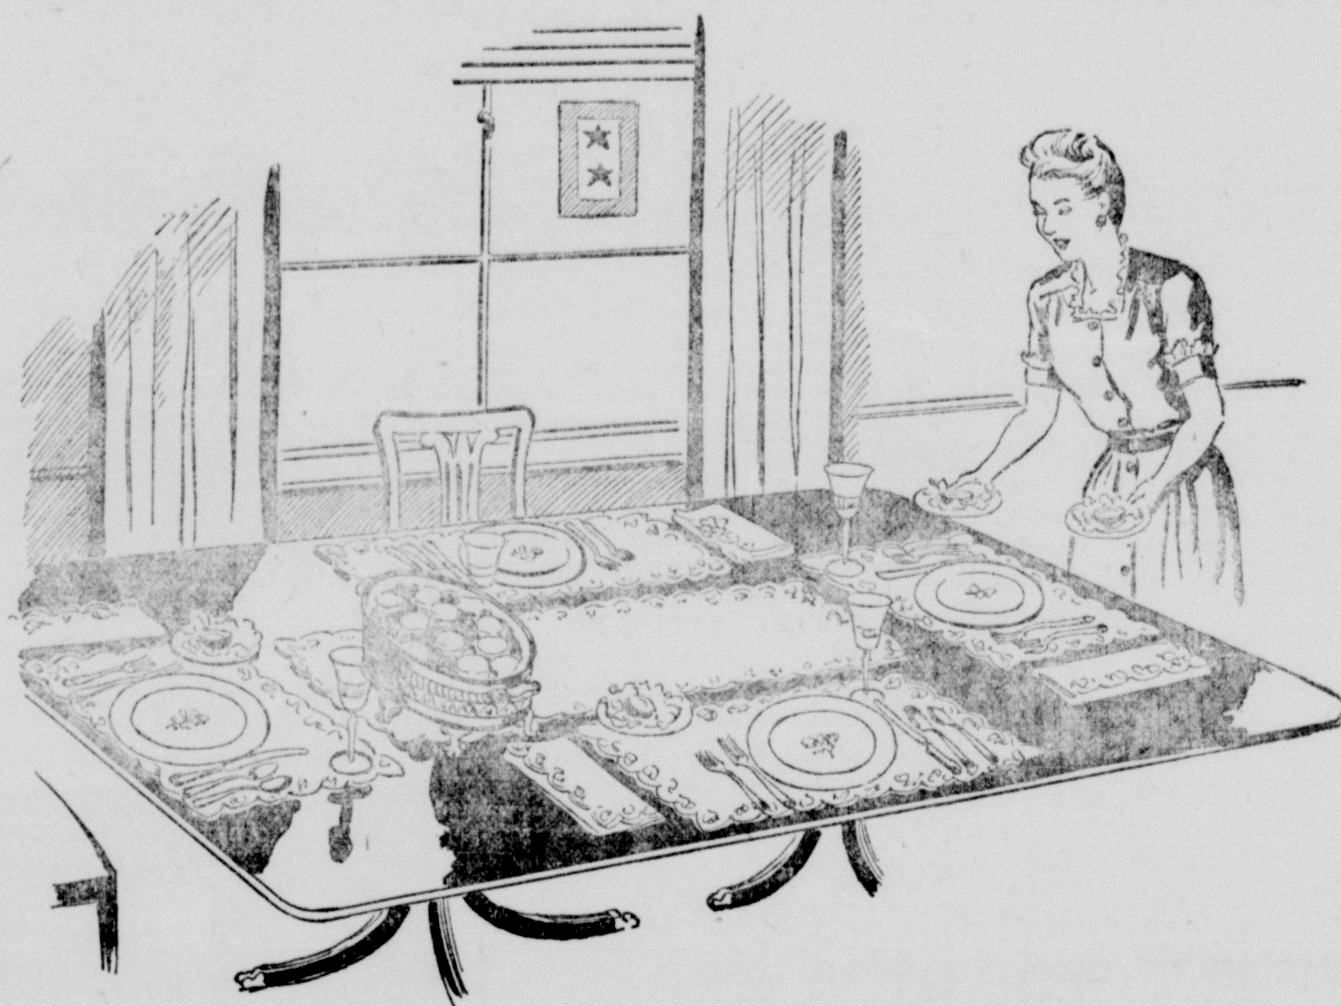

exceedingly attractive, in fact, ideal. Brad keeps his lady friends guessing until his "spirit," a dead Injun, gives him the right lead. After Toni exposes Madame Zenobia as the instigator of the property manipulation and clears Brad's involvement in the whole deal, Brad follows up the Injun's lead right into an embrace with Toni.

## This Dinner-Table War

## Is Your Family in Fighting Trim?

OF COURSE it's more trouble to feed a family in wartime! . . . That's what war is: trouble. But even so, aren't America's dinner tables *banquets*, compared with those in the other nations that are fighting to save mankind's freedom? That's why American women can swing market baskets and count ration points, and think nothing of it. They are helping to win. And in this war, we win or we die.

★ ★ ★ ★ ★

### Gas Ranges Simplify Nutrition

If you take good care of your modern Gas Range, it can feed your family for years and years. Put it through its paces. Use the simmer-burners, for instance, for flawless vegetables; the thermostat-control for correct baking and roasting; the smokeless broiler, on ball-bearings, for sizzling foods in their own juices. Follow a *Nutrition Guide*. Even with war restrictions, you can have good-tasting meals that guard the health and good looks of your family.

### FREE: Canning Booklet

(Wartime Edition)

Ready for you at your Lone Star Gas Company offices, telling how to put up Vegetables, Fruits and Meats. Pictures and charts throughout. Special recipes, from Hominy and Sauerkraut, to Berry Jam made with corn syrup.

NOTICE to Lone Star customers in towns that have no company offices: Please send a postal for your Canning Booklets, to Miss Albertine Berry, Lone Star Gas Company in Dallas.

### LAMB PIE

Wartime version.

As seen in the casserole above. More vegetables and less lamb.

- 1 Pound lamb shoulder, cut in cubes, rolled in seasoned flour
- 2 Tbsp. bacon drippings
- 2 Onions
- 3 Cups boiling water
- 1 Bay leaf

- 1 Cup diced potato
- 1½ Cups peas
- 1½ Cups carrots, sliced
- ½ Cup chopped celery

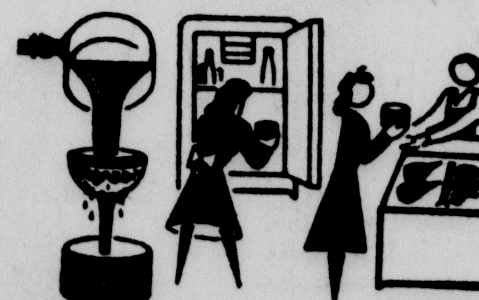

Biscuit dough

Brown the cubes with onion, in bacon fat; pour off fat and add boiling water. Cover and simmer slowly 1½ hours. Add vegetables for the final 30 minutes of cooking.

Taste, to be sure it's seasoned right, then transfer to a casserole. Place tiny baking-powder biscuits on top, and bake until biscuits are brown. Makes a fine main dish for 6.

Are you giving your worn-out kitchen fats to the Government?

Strain through fine mesh into metal container. Keep in cool place. Rancid fat makes fewer bullets. Sell to butcher when you have one pound or more.

## SGT. JOHN WALLACE DAY PROVES AN INSPIRATION

Cameron's share of the effort for the 13 Billion Dollar War Bond sales was effectively launched early Monday following a breakfast at Cato's where 54 workers and their chairmen met to hear the campaign detailed and to listen to an inspiration address by Oxsheer Smith.

Emory B. Camp, War Council Chairman, explained the Bond campaign and all workers came away with a first hand knowledge of the attractive buys in these securities.

E. C. Cole, chairman for the Cameron canvas, presided and gave helpful suggestions to send his workers out for the first day of the canvas in the city.

The quota for the county is \$354,000. The quota for Cameron has not been fixed. Primarily the goal is to buy a bomber and to aid in the purchase of a bomber for Milam county. Rockdale and Thorndale are also sponsoring a local enthusiasm for ships of the air.

Monday was to be Sgt. John Wallace day in the bond sales campaign. Oxsheer Smith in his inspiration address told of the heroic death of Sgt. Wallace, killed over enemy lines in the South Pacific air war. The Order of the Purple Heart has been posthumously awarded and has been received here by the father, Hon. E. A. Wallace, Cameron lawyer.

Daily reports will be made on the progress in the War Fund Sales in Cameron. They will be brought to the people through the medium of the Herald each day.

Optimism was the stand out feature of the meeting. It was regarded as certain the quotas will be reached because of the apparent willingness of the people to dig into their pockets and buy Liberty and Freedom.

The quota which has been announced is in addition to the quotas the banks have accepted. Mr. Smith said that the banks will buy 10 per cent of their total deposits, if need be to raise the quota set for the county.

To morrow the Herald will bring

the names of all Chairmen and workers in the War Bond Drive.

## Christian Church Aid Family Stricken By Cyclone Here

Members of the Christian Church in Cameron Sunday made a contribution of \$14.50 to the fund being sponsored here by the Herald for the Homer Conley family, made destitute by the cyclone which demolished their home at 11 a. m. Thursday and sent five of the family to the hospital.

The funds were brought to the Herald early Monday by Bert Nicholson, member of the church. This is the largest single contribution made to the Conley family fund thus far.

## Jeanette MacDonald Stars In "Cairo"

One of the most elaborate musical scores ever to reach the screen was composed for M-G-M's "Cairo," tune-ful adventure drama starring Jeanette MacDonald, which comes to the Cameron Theatre Tuesday.

Four original, ear-entrancing numbers were written for the film, three by the team of Arthur Schwartz and E. Y. Harburg and the other by Harold Arlen, of "Stormy Weather" fame and Schwartz. The theme music was prepared and conducted by Herbert Stothart.

Miss MacDonald's numbers, presented with the romantic and exciting background of present day Egypt, are "The Waltz Is Over" and the title song, "Cairo." Ethel Waters, colored songstress who plays Miss MacDonald's maid in the picture, breaks into song herself with "Buds Wont Bud" and "A Woman Without a Man."

## JAP RADIO DECLARES US TO BE BOMBED

Japanese military leaders Wednesday said all arrangements have been made to bomb American cities and the mainland of continental United States.

The statement was issued by Sato, who said that the German Air Force will join in the attack on this country.

Whether this warning is designed to create fear in this country or whether the Axis powers are in reality seriously intending to bomb the United States was said to be a question military authorities were prepared to meet.

Long range bombing planes land based can take off from bases in the Alutian Islands or from the coast of Norway, bomb the United States and return.

The Japanese radio broadcast the Sato statement which is a renewal of previous threats by the Axis to bring the air war to the shores of America.

Premier Curtin of Australia Wednesday issued a warning that Japan is preparing an invasion of Australia and General Douglas MacArthur has made a plea for more air support in the South Pacific without which he says the Navy will be unable to successfully beat off the Japanese.

## Mad Dogs Are Killed Here; Dog Owners Are Told to Vaccinate

Two mad dogs have been killed in Cameron and nearby and to avoid spread of rabies among dogs and to protect the people City Marshal Dan Lunsford has issued an appeal and a warning.

A veterinarian will be on the vacant lot south of the Cheeves Bros. store on Tuesday, April 13, between the hours of 8 a. m. and 4 p. m. All dog owners who wish to save their dogs must have them vaccinated against rabies.

If your dog has already been immunized, you should see the dog is properly tagged and Mr. Lunsford notified.

## Church of Christ is Largest Giver to Conley Relief Fund

A total of \$81.25 was given to Homer Conley Tuesday afternoon by the Publisher of The Herald which was an accumulation of contributions received up to noon Tuesday.

The Church of Christ located at 5th and Central became the largest contributor to the fund when Charles Holstein brought in a check for \$38 Tuesday morning.

The contribution of this congregation is greatly appreciated and Mr. Conley expressed his thanks and was quite over come with emotion when this check and other funds were delivered to him by the Herald.

## JAPS MASSING ABOVE AUSTRALIA FOR ATTACK

Renewal of grave danger to Australia was discussed in a frank review of the military situation in the South Pacific Tuesday by spokesmen for the United Nations.

A noon report said that 200,000 Japanese troops with air and naval support are concentrating and an invasion attempt was feared.

The same source said that the Japs are building air bases in the Aleutian Islands off Alaska.

The few American air men who have gotten through to the Pacific were giving the Japs hell every hour of the day and from General MacArthur came the report that new blows have been dealt to Jap ships and air forces.

The Nazi are believed to have 210,000 troops left in Tunisia.

The situation on the eastern front in Russia was unchanged. The Germans were being held. The Spring offensive may soon develop.

Mrs. Henry Moore of Houston, spent several days here the past week with friends and relatives.

Mr. and Mrs. John Kohutek of Temple were Cameron visitors Tuesday.

# ROMMEL ABANDONS ALL OF CENTRAL TUNISIA

A second juncture of British and American forces was near Friday as General Rommel abandoned all of Central Tunisia.

The British 8th Army advanced another 8 miles and reported that 10,000 Axis prisoners had been taken since the Mareth line was broken.

The Americans have taken 1300 prisoners since General Patton started his central drive to hem in Rommel.

In Berlin the Germans said that the situation in North Africa is grave. For the first time since the war began the Nazi are saying they are being attacked by a superior force. Dr. Goebbels in Berlin Friday said the United Nations have the psychological advantage because they are attacking.

There was every indication that the battle in Tunisia might be drawing to a climax but no one expected the campaign to end on schedule. It has been generally agreed that the battle in North Africa be won this summer. If not there will be no invasion this year.

It was said that American casualties will be very heavy in the Tunisian fighting.

Rommel is still on the run.

The RAF lost 21 bombers in a big raid on the Ruhr valley Thursday night.

On the Eastern front the Reds threw back every attempt of the Nazi to cross the Donets river.

# America's Food Emergency

A Statement by Santa Fe

United States facing most critical "crop year" in its history.

During the coming months, the need for more food may be greater than the need for more guns, tanks and planes.

Serving, as it does, "the breadbasket of America," the livestock and meat industry, and the great fruit and vegetable areas of California and the Southwest, Santa Fe pledges its all-out effort in the production and mobilization of food.

## What Santa Fe Is Doing

Santa Fe employees are planting Victory Gardens along their railroad's 13,199 miles of right-of-way.

Everything that rolls on the Santa Fe is being kept in fighting trim.

Old cars with good running gear are being rebuilt into sleek new gondolas.

Many Santa Fe refrigerator cars that used to go back "dead-head" now hurry back loaded with other freight.

## They're On The Job, Too!

For years the Agricultural Development Department of Santa Fe has cooperated with growers all along the line, for greater production per acre, through better seeds and better cultural methods. For example:

The people of the middle Rio Grande know how the desert has been converted into paying crops.

The folks in Blue Water Valley of western New Mexico know how the production of vegetables has increased from 86 to 1076 carloads in the past three years.

The potato growers of Kern County,

Cars are few and hours are precious. Every hour a freight car stands idle holds back food or other vital war freight from folks who need it. Every unused cubic foot squanders vital space.

The supply experts of the Army and Navy, the ODT, and the Interstate Commerce Commission Bureau of Service are all focusing on this problem.

## How Shippers Are Helping

Shippers are helping and can continue to help (1) by maximum loading; (2) by quicker loading; (3) by quicker unloading.

More than 57,000 Santa Fe folks join with the farmers, the livestock producers, the shippers, and the consumers of all America to help meet the greatest food crisis our nation has ever face 1.

California, know how Santa Fe cooperated in stamping out ring rot and blight.

This year, the people in the Texas Panhandle are bringing in their first harvest of waxy kaffir which promises to produce the starch for tapioca and other important products that formerly came from the cassava roots of Java.

In the present national food emergency, these people of Santa Fe's Agricultural Development Department are working harder than ever, doing everything they can to help food growers all along the line.

The rest-pause that refreshes

Welcome in peace... more welcome in war work

IN letter after letter from war plants and factories, managers write in to tell how important they consider Coca-Cola in providing energy-giving refreshment for workers... in helping output and morale. Of course, workers in war plants welcome a rest-pause... with ice-cold Coca-Cola to make it the pause that refreshes.

Ice-cold Coca-Cola quenches thirst. But it goes further to add pure, wholesome refreshment that you feel and enjoy. Made with a finished art, Coca-Cola has a taste all its own... a goodness you always welcome.

Popularity with war-workers has made Coca-Cola the symbol of the rest-pause. And remember: only The Coca-Cola Company produces Coca-Cola.

Letters from plant managers from coast to coast emphasize that the little moment for an ice-cold Coca-Cola means a lot to workers in war plants. It's a refreshing moment on the sunny side of things... a way to turn to refreshment without turning from work.

A breathing spell, a rest-pause and ice-cold Coca-Cola. Contentment comes when you connect with a Coke.
